We are happy to announce that the AGM and the council of MAA (Malta Association of Audiologists) agreed to join the AEA as a new member.

In 2018 they will have the status as observer member.

After the AEA board meeting in Nurnberg – Germany in October, thanks to initiative of Herdis Menhardt, Fritz Zajicek (AEA General Secretary), Mark Laureyns (AEA President) and Andrew Sciberras (MAA President) had a very constructive meeting which made is very clear that the objectives of both associations were very well aligned.

We welcome the Maltese Association – and look forward for a strong and constructive cooperation.
