Please join us in welcoming our colleagues from Luxemburg to our association.

The AEA (European Association of Hearing Aid Professionals) was founded in 1970 and is headquartered in Brussels since 2008.

It is an association of national professional organisations representing more than 40.000 hearing aid professionals from 14 countries across Europe.

AEA strives to improve the quality of hearing care services, ensure a transparent, fair and competitive market, and safeguard freedom of choice in the interest of the end-user.
