

A.E.A. Board Meeting 15th of October 2014 - Hannover

On the 15th of October 2014 the board members of the AEA (10 of the 11 board members were present), the ECAT president, the AEA secretary general and president participated during the EUHA congress at the AEA (European Association of Hearing Aid Professionals) board meeting.

All the projects presented at this board meeting were prepared by the AEA Steering Group (AEA vice presidents, secretary general, president, treasurer and the ECAT president).

After a very constructive discussion all decisions were taken unanimous, which allows the AEA to go forward with all the projects and focus on the quality of professional hearing care in the interest of the end users.
